Y2K: Much Ado About Nothing

January 1, 2000 became just another date on the calendar as the world and EHS survived the "technological scare" and began a new century.

and began a new century.

Our visions for the future, our missions in life, our goals and dreams continue into the new millineum.

Homecoming Activities Provide Spirit-filled Week For All

EHS Homecoming activities kicked off Monday, Oct. 27 with Animal Day. Quite an assortment of strange looking animals roamed the hallways.

Tuesday was Dress-Up Day, featuring the crowning of Homecoming royalty Katrina Jenkins and Jeff Ulmer.

Wednesday, students had the option of either pajama or opposite sex day. Thursday, the halls were taken over by super heroes. Zorro seemed to be the most popular costume among students. Friday, the traditional red and black colors were worn by students and faculty.

The football game Friday evening resulted in the Cardinals losing their first game of the season to Hankinson by a score of 8-28. The game was followed by a dance.

"Even though we lost," said sopho-

more Kristi Hafey, "everyone still had a lot of fun!"

English teacher Mr. Masset and freshman Anne Kaiser receive best-dressed honors on Pajama Day.

Junior Blake Casey gives Senior Kip Mahler a push start to begin the scooter board race as part of Kangaroo Court during Friday's pep rally.

Senior John Wall gives He-Man a new look on Super Hero Day, one of the main events during Homecoming Week.

Michael Kaiser and Megan Glynn give 'Sonny and Cher' a run for their money during mock coronation ceremonies on Tuesday. The coronation has become a traditional skit produced by the Student Council.

Tyler McFarland and Nate Ketterling pose as GI Joe and GI Jane on Super-hero Day.

Remembrance by Andrew John Lambert

It's always the way it's meant to be
No matter what, it'll be you and me.
We look back and remember when
all we can do is describe it as then.
Savor your time and remember the years.
Reminisce of the happy and of the tears.
Don't look back but move on with friends,
We're always together until the end.

The Class of 2000 by Alicia and Jenny

The Class of Two thousand is really quite a crew, we've rounded off the century with much to say and do.

We really aren't a big class - we're actually quite small.. each one of us different - now we'll tell ya all.

Emily was always found with a book or two, but when it came to riding brooms, she gave us quite a view.

Tim and his jump shot was always quite a sight, but when it came to Herman, there always was a fight.

Kevin was the quiet one...never much to say, but when it came to basketball, he sure know how to play!

Kelly always had pictures of many perfect guys, but when it came to track, she always flew right by.

Lisa was always gone, never to be found... but when there was something fun to do, she always came around.

Darcy's hair was always straight and very, very long, but when it came to modeling, she never could go wrong.

Jami and her 'morals', they really were quite set; and when it came to attendance, she hasn't missed one yet!

Weston and his truck, they really were quite loud, but when it came to hunting, he always made us proud.

Katrina and her Hooch gave us all a ride, but when the cops came by, they were never on her side.

Amanda was the one who was always into sports, and her favorite one of all, she took it to the courts.

Ann will be the first to go and tie the knot, but when it came to cheerleading, she truly screamed a lot. Kip and Mahler-hauler were always on the go, but when it came to crazy stunts, he put on quite a show.

Derek and his pants were always really baggy, but thanks to Katrina, Jenny and Amanda his hair is no longer shaggy.

Jenny is really hyper and very, very loud, but when it came to Mitch, she could spot him in a crowd.

Brad and his sexy tractor always make us scream, then he went hunting and found the rack of his dreams.

Heidi and her job, she was always cooking away, but when it came to school, she had a lot to say!

Alicia and her hair was always really curly, but she could never get a date cause her dad was big and burly!

Jeffy was the star of our football team, and one important rule we learned...never feed him beans!

John earned the privilege of being called "Walnuts", but when it comes to fixing up, I think he is a putz!

Jason was the one we could never call short, but since he was 7'0, it helped him on the court!

Now the time has come for us to say goodbye, it's been a long journey - but time sure did fly.

We hope you enjoyed this poem, it was about our class... we definitely have memories - we all had a blast!

Superintendent Schlieve

Hy Schlieve Brings Over Twenty Years of Experience to EHS As

New Leader

For the first time in over twenty years, EHS students and faculty were greeted by a new face in the superintendent's office. Hy Schlieve came to the Ellendale school system from Wisconsin and brought twenty seven years of experience in education with him. Twenty of those years were spent in an administrative capacity.

Mr. Schlieve chose a career in education because he "wanted to coach and work with students." After receiving his own education at NDSU in Fargo, he has worked in seven other schools in North Dakota, one in Idaho, and one in Wisconsin before coming to Ellendale.

He chose to apply for and accept the job in Ellendale because he wanted to come back to North Dakota and he was also somewhat familiar with the area.

Mr. Schlieve has not implemented any big changes in the Ellendale school stystem as of yet although he says he is "still working on that." He says also that he has lots of hobbies and pastimes, but the primary one is work.

Nora Experiences Basketball at EHS

Nora Roeder, a junior, came to Ellendale from Wildeshausen, Germany August 11. Her host family is Keith, Deb, and Kristi Hafey, a sophomore at EHS. Her family in Germany consists of her mom, Waltraut, dad, Fokko, 12 year-old sister, Ronja, and a 20 year-old brother, Soeren.

When asked how her school in Germany is different from EHS, she replied, "It's smaller and different classes are offered here such as Health Careers. Our grading system is based on a scale from one to six with one the best grade you can get. Five means you are failing a class. There are also no lockers in her school in Germany.

In Germany, Nora said that they don't play basketball. She said, "Playing basketball was a nice experience because I have not played it before." Nora is also a starter for the varsity volleyball team, a sport she has played before.

Nora's hobbies are riding horse, ice skating, volleyball, rollerblading, and swimming. Her favorite class is Keyboarding.

Kristi Hafey, Nora's host sister, said, "Nora is fun to have around and it's nice to have another 'sister' around the house.

Exchange Student From Down Under

Nicole Marks from
Grantville, Australia joined
the students at EHS for the
second semester and will
continue her stay through
the summer and into next
fall. The 15 year-old
sophomore is staying with
Julie and Al Kappenman who
have two children, Jasmine
and Brason, who Nicole says
she has adopted as her
brother and sister.

Talkative Nicole tells it like it is.

In her school in Australia she participated in basketball, soccer, and netball. She is looking forward to the girls' basketball season at EHS. She also enjoys surfing, swimming, and other sports. She said her favorite food is probably pizza.

One thing different from her school in Australia compared to Ellendale is the time schedule.

In Memory Of...

Raymond Aman 1929-2000

The yearbook staff dedicates the 2000 Redbird to Raymond Aman, a bus driver for the Ellendale School District who passed away February 4 following heart surgery.

Mr. Aman was employed as a bus driver for almost nine years and dearly loved his job and his bus kids.

Ray (as he was respectfully called by students and friends) and his wife Sharon, who died just three months prior to him, were avid supporters of all school activities and could be found in attendance at concerts, school fundraisers, and programs as well as sporting events.

Seventh graders David Muckey and Michael Kaiser concentrate on perfecting a musical selection at the annual Christmas concert.

Seniors Alicia Ulmer and Jenny Redlin present a dramatic interaction in Mr. Masset's English class.

Using their creativity, Will Kronberg and Brent Rall master origami in geometry taught by Mrs. Edwards.

Oz Comes To EHS

Elaborate costuming, colorful scenery, and the enthusiasm of junior high music students brought the musical "Oz" to life on stage at EHS April 28 under the direction of Wayne Fiechtner.

As the title implies, the musical is based on the novel "The Wizard of Oz" by Frank Baum and tells the story of Dorothy's journey to Oz to find her way back to Kansas. Along the way, she meets Tin Woodsman, Scarecrow, and Cowardly Lion who make the journey with her and help her to overcome the powers of the Wicked Witch and her flying monkeys.

Walking through the Forest of the Fighting Trees, Dorothy, played by Kate Martin, meets the Cowardly Lion, played by Kirk Glynn.

The Munchkins and Cyndal Orwig as Glinda the Good Witch, sing a song.

Dorothy begins her journey to Oz along with her dog Toto, played by Jordan Klipfel.

Cards Reach Playoffs; Ulmer Brings **National Recognition to EHS**

JEFF ULMER.... In years to come, this senior running back's name will be synonymous with the 1999 football season.

Running for a total of 2,316 yards, Jeff broke all school records for yards run in a season. This accomplishment brought Jeff and the team much publicity, including an appearance on WDAY Channel 6 News.

Jeff said, "It was nice to have all the publicity and have the team recognized, but it put a lot of pressure on us."

Despite that pressure, the team did advance to post-season playoffs, winning their first game before having their season come to an end with a loss to Central Valley who became the state 9-man champs.

Ulmer was also honored with the following awards: All-Region, All-State, Gatorade State Player of the Year, and USA Today Player of the Year.

Seniors Kip Mahler and Tim Beckius, along with junior Justin Bobbe joined Ulmer in being named to the All-Region team. Senior Kevin Bobbe and juniors Blake Casey and Jordan Sand received Honorable Mention on the All-Region team.

Senior Jeff Ulmer gets good blocking from his teammate Justin Bobbe, junior, to break away for more record-breaking vardage in the playoff game against Towner-Granville-Upham.

Cardinals Stage End-of-Season

COMEBACK

With only one returning letter winner, the Cardinal boys still won a seed in the regional tournament after defeating Wimbledon-Courtney 68-61 at Wimbledon in a challenge game for fourth place in the district.

The Cardinals definitely showed inexperience in the first few games of the regular season. But they showed great improvement towards the end of the year, not only in the scoring column, but also in their team play. Senior Kevin Bobbe was the onl player to receive post-season honor as he was named to the All-District and Southeast Conference Team.

In March, the seniors on the tear played on the south team in the firs All-Area Senior game held in LaMoure Cardinal player Kevin Bobbe won th game for the south team over the north team with a last-seconds three point shot to put the south up by two

Kevin Bobbe, Jerrod Lematta, Blake Casey anxiously wait to see if Jason Zinter can snag the tip-to score the first two exciting points of the Cowbell game at Oakes.

Bobbe Takes Eighth at State

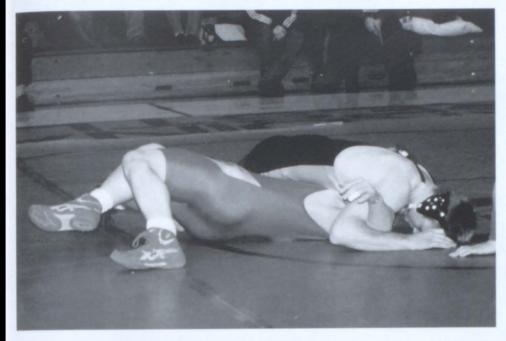

In a competitive sport such as wrestling, people have a tendency to look to the past. With four state qualifiers returning to the team next year, Thun-

der wrestlers will not need to be looking back to better times but can be looking forward to the future.

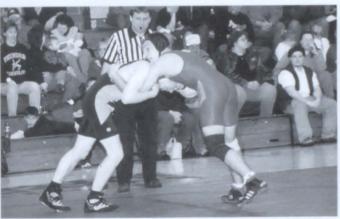

Junior Justin Bobbe, one of those

qualifiers, placed eighth in the state tournament in the 160-pound division. Cousins Jordan Sand and Thor Sand, juniors, competed in the state tournament at 215 pounds and 152 pounds respectively. Younger cousin Sam Sand, sophomore, competed at 171 pounds at the state level.

Wrestle-off competition at the local level was intense as the young team members wrestled at the same weight classes. This kind of competition should only serve to strengthen the team in the future.

During the Thunder bout with Lisbon, Justin Bobbe is seconds away from pinning his 160 pound adversary.

(Left) Despite being on his knees, Jordan Sand looks very much in control during his dual at state wrestling.

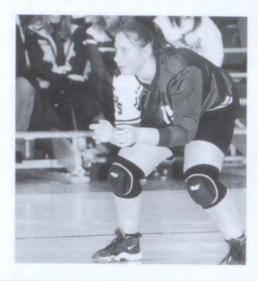

weight class against Lisbon.

(Upper Right) Greg Middlestead keeps his 140pound Lisbon opponent in an honest position, neither gaining or losing any advantage.

Exchange student Nora Roeder gets ready to ace her serve the German way.

Waiting for the serve, junior Lacey Markhart gets her stance.

were able to snag a fourth place finish in the district. The Cardinals did not start out too impressively, but they made a big turn-around not too long into the season.

Nora came to the team with different rules to play since she had learned the German rules for volleyball which are different from ours. She enjoys U.S. volleyball better than Germany's because it is easier to understand.

She said, "It was a fun experience and one that I will never forget."

Even though the Cardinals were not able to make it to regional tournament play, Nora was named to the All-Region volleyball team which was very exciting for her.
